"The great ideal of Judaism is that the whole world shall be imbued with Jewish teachings, and that in a Universal Brotherhood of nations - a greater Judaism in fact - all the separate races and religions shall disappear."

-The Jewish World
February 9, 1883

"We, the Jews, are a people-one people. When we sink, we become revolutionary proletariat, the subordinate officers of a revolutionary party; when we rise, there arises also our terrible power of the purse."

-Theodore Herzl

The Jewish State

1896

"With gold we can buy the most rebellious consciences, can subsidize all state loans, and thereafter hold the states at our mercy. Already the principal banks, the exchanges of the entire world, the credits of all the governments, are in our hands."

-Rabbi Reichorn

"I am not an American citizen of Jewish faith. I am a Jew. I have been an American for sixty-three years, but I have been a Jew for 4000 years."

-Rabbi Stephen S. Wise

"We are living in a highly organized state of socialism. The state is all; the individual is of importance only as he contributes to the welfare of the state. His property is only his as the state does not need it. He must hold his life and his possessions at the call of the state."

-Bernard M. Baruch

"The Jews in Russia, in their total mass, were responsible for the Revolution."

"There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolsheviks. The ideals of Bolshevism are consonant with many of the highest ideals of Judaism."

-Jewish Chronicle
London
April 4, 1919

"The Bolshevik revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction and by Jewish planning, shall also, through the same Jewish mental and physical forces, become a reality all over the world."

-The American Hebrew
September 10, 1920

"Bolshevism is a religion and a faith. How could those half-converted believers dream to vanquish the 'Truthful' and the 'Faithful of their own creed, those holy crusaders, who had gathered around the Red standard of the prophet Karl Marx, and who fought under the daring guidance of those experienced officers of all latter-day revolutions - the Jews?"

-Dr. Oscar Levy

Preface

The World Significance of
the Russian Revolution

by George Pitt-Rivers

1920

"We Jews, we, the destroyers,
will remain destroyers forever.
Nothing that you will do will
meet our needs and demands. We
will forever destroy because we
need a world of our own."

-Maurice Samuel

You Gentiles

p. 155

Harcourt, Brace. 1924

"We Jews, who have posed as Saviors of the World, we are today nothing else but the world's seducers, its destroyers, its incendiaries, its executioners."

-Oscar Levy

"It is often said that Judaism is the driving force of communism; but this does not prove anything beyond that which is expected and only natural... Is it surprising that Judaism should become the fermenting and destructive element in countries which have always despised and persecuted it? That peculiar facility for intrigue, strategem, conspiracies, and that patient, almost uncanny waiting for the hour of never-failing revenge, are all characteristics of the chosen people."

-Prof. F. A. Ossendowski
The Nineteenth Century
and After (London)
p. 29
January, 1926

"Let us recognize that we Jews are a distinct nationality of which every Jew, whatever his country, his station, or shade of belief, is necessarily a member. Organize, organize, until every Jew must stand up and be counted-counted with us, or prove himself wittingly or unwittingly, of the few who are against their own people."

-Louis B. Brandeis

"The two Internationales of Finance and Revolution work with ardour, they are the two fronts of the Jewish Internationale. There is a Jewish conspiracy against all nations."

-Rene Groos
Le Nouveau Mercure
Paris
May, 1927

"You have not begun to appreciate the depth of our guilt. We are intruders. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom of not merely the latest great war, but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. No one can tell how long we shall go on doing it. Who knows what great and glorious destiny might have been yours if we had left you alone."

-Marcus Eli Ravage
Century Magazine
February, 1928

"The Jewish people as a whole will be its own Messiah. It will attain world dominion by the dissolution of other races, by the abolition of frontiers, the annihilation of monarchy, and by the establishment of a world republic in which the Jews will everywhere exercise the privilege of citizenship. In this new world order the Children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property, and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is come, the Jews will have all the property of the whole world in their hands."

-Baruch Levy

"Only recently our race has given the world a new prophet, but he has two faces and bears two names; on the one side, his name is Rothschild, leader of all capitalists, and on the other, Karl Marx, the apostle of those who want to destroy the other."

-Blumenthal

"Marxism is the modern form
of Jewish prophecy."

-Reinhold Niebur

"How do you account for the fact that so many young Jews may be found in the radical movements of all the lands?"

-Michael Gold,

"Some call it Marxism -
I call it Judaism."

-Rabbi Stephen S. Wise
The American Bulletin
May 15, 1935

"Marxism, you say, is the bitterest opponent of capitalism, which is sacred to us. For the simple reason that they are opposite poles, they deliver over to us the two poles of the earth and permit us to be its axis. These two opposites, Bolshevism and ourselves, find ourselves identified in the Internationale. And these two opposites, the doctrine of the two poles of society, meet in their unity of purpose, the renewal of the world from above by the control of wealth, and from below by revolution."

-Quotation from a Jewish banker by the Comte de Saint-Aulaire in
Geneve contre la Paix
Librairie Plan, Paris, 1936

"If the tide of history does not turn toward Communist Internationalism then the Jewish race is doomed."

-George Marlen
Stalin, Trotsky, or Lenin
p. 414
New York, 1937

"The present program of palliative relief must give way to a program of fundamental reconstruction. American democracy must be socialized by subjecting industrial production and distribution to the will of the People's Congress. The first step is to abolish the federal veto and to enlarge the express powers of the national government through immediate constitutional amendment. A gradual march in the direction of socialization will follow."

-Rabbi Victor Eppstein
Opinion
April, 1937

"It is not an accident that Judaism gave birth to Marxism, and it is not an accident that the Jews readily took up Marxism. All that is in perfect accord with the progress of Judaism and the Jews."

-Harry Waton

A Program for the Jews and
an Answer to All Anti-Semites
p.148. 1939

"The modern Socialist movement is in great part the work of the Jews, who impress on it the mark of their brains; it was they who took a prepondering part in the directing of the first Socialist Republic . . . The present world Socialism forms the first step of the accomplishment of Mosaism, the start of the realization of the future state of the world announced by our prophets. It is not till there shall be a League of Nations; it is not till its Allied Armies shall be employed in an effective manner for the protection of the feeble that we can hope that the Jews will be able to develop, without impediment in Palestine, their national State; and equally it is only a League of Nations penetrated with the Socialist spirit that will render possible for us the enjoyment of our international necessities, as well as our national ones. . . ."

-Dr. Alfred Nossig
Intergrales Judentum

"We are one people despite the ostensible rifts, cracks, and differences between the American and Soviet democracies. We are one people and it is not in our interests that the West should liberate the East, for in doing this and in liberating the enslaved nations, the West would inevitably deprive Jewry of the Eastern half of its world power."

-Chaim Weizmann
World Conquerors, p.227
by Louis Marschalko
Joseph Sueli Publishers
London, 1958

"The Jews might have had Uganda, Madagascar, and other places for the establishment of a Jewish Fatherland, but they wanted absolutely nothing except Palestine: not because the Dead Sea water by evaporation can produce five trillion dollars of metaloids and powdered metals; not because the sub-soil of Palestine contains twenty times more petroleum than all the combined reserves of the two Americas; but because Palestine is the crossroads of Europe, Asia, and Africa, because Palestine constitutes the veritable center of world political power, the strategic center for world control."

-Nahum Goldman
President
World Jewish Congress.

"Our Fathers reached the frontiers which were recognized in the Palestine Partition Plan. Our generation reached the frontiers of 1949. Now the Six-day generation has managed to reach Suez, Jordan, and the Golan Heights. This is not the end. After the present cease-fire lines there will be new ones. They will extend beyond Jordan; perhaps to Lebanon and perhaps to central Syria as well."

-General Moshe Dayan

"I know I don't have to say this, but in bringing everybody under the Zionist banner we never forget that our goals are the safety and security of the state of Israel foremost.

Our goal will be realized in Yiddishkeit, in a Jewish life being lived everyplace in the world and our goals will have to be realized, not merely by what we impel others to do. And here in this country it means frequently working through the umbrella of the President's Conference (of Jewish organizations), or it might be working in unison with other groups that feel as we do. But that, too, is part of what we think Zionism means and what our challenge is."

-Rabbi Israel Miller
The American Jewish
Examiner, p.14
March 5, 1970

"The world Zionist movement is big business. In the first two decades after Israel's precarious birth in 1948 it channeled an estimated four billion dollars in donations into the country. Following the 1967 Arab-Israeli war, the Zionists raised another \$730 million in just two years. This year, 1970, the movement is seeking five hundred million dollars. Gottlieb Hammar, chief Zionist money raiser, said, 'When the blood flows, the money flows.'"

-Lawrence Mosher
National Observer

May 18, 1970

"The Jew is not satisfied with de-Christianizing, he Judaizes, he destroys Catholic or Protestant faith, he provokes indifference, but he imposes his idea of the world, of morals, and of life upon those whose faith he ruins; he works at his age-old task, the annihilation of the religion of Christ."

- Bernard Lazare
L'Antisemitisme
p.350

"I am devoting my lecture in this seminar to a discussion of the possibility that we are now entering a Jewish century, a time when the spirit of the community, the non-ideological blend of the emotional and rational and the resistance to categories and forms will emerge through the forces of anti-nationalism to provide us with a new kind of society. I call this process the Judaization of Christianity because Christianity will be the vehicle through which this society becomes Jewish."

Rabbi Martin Siegel
New York Magazine, p.32
January 18, 1972

"The image of the world in 1987 as traced in my imagination - the increasing influence of the farmers and workers, and the rising political influence of men of science, may transform the United States into a welfare state with a planned economy. Western and Eastern Europe will become a federation of autonomous states having a socialist and democratic regime. With the exception of the USSR as a federated Eurasian state, all other continents will become united in a world alliance, at whose disposal will be an international police force. All armies will be abolished, and there will be no more wars. In Jerusalem, the United Nations (a truly United Nations) will build a shrine of the Prophets to serve the federated union of all continents; this will be the seat of the Supreme Court of Mankind, to settle all controversies among the federated continents."

-David Ben Gurion

"I believe that the active Jews of today have a tendency to think that the Christians have organized and set up and run the world of injustice, unfairness, cruelty, misery. I am not taking any part in this, but I have heard it expressed, and I believe they feel it that way. Jews have lived for the past 2000 years and developed in a Christian world. They are a part of that Christian world even when they suffer from it or be in opposition with it, and they cannot dissociate themselves from this Christian world and from what it has done. And I think that the Jews are bumptious enough to think that perhaps some form of Jewish solution to THE problems of the world could be found which would be better, which would be an improvement. It is up to them to find a Jewish answer to THE problems of the world, the problems of today."

-Baron Guy de Rothschild
NBC-TV The Remnant

"Federation play a major part in Jewish life throughout the world. There is a federation in every community of the world where there is a substantial number of Jews. Today there is a central movement that is capable of mustering all of its planning, financial and political resources within twenty-four hours, geared to handling any particular issue. Proportionately, we have more power than any other comparable group, far beyond our numbers. The reason is that we are probably the most well organized minority in the world."

"Yet I have a clever touch
And pander to your vices,
While looking on in exultation.

And so I play my game,
With the exuberance of experience,
The strange and terribly subtle
Final aims of my Asiatic blood
That remain a mystery to you."
